 - a) Fully financial; or
 - b) On an agreed upon payment plan.
- 2) Any player who has not yet played a match in any Ipswich Futsal competition during the current registration period may play their first game as a trialist. A trialist does not need to be compliant with by-law 1.1.1. After the trialist's first game, they must be compliant with 1.1.1.
- 3) An exception to 1.1.1 may be granted by Ipswich Futsal when
 - a) A player can demonstrate that they have attempted to register but have encountered technical difficulties.

 - b) A player has a lack of access to technology required to successfully complete their Squadi registration. In this circumstance, the player should seek assistance from Ipswich Futsal staff to register.

- 4) Any breach of these by-laws will result in the offending team automatically forfeiting their match and the opposing team advancing to the next round.
- 5) If both teams in a semi final breach the rules, neither team will advance to the next round, and the replacement team will be determined in the following order
 - a. The highest ranked team (by league or group standings) not in breach of 1.8.1 or 1.8.4 eliminated in the current round

2.9 Matches Forfeited, Cancelled, Abandoned or Suspended

- 1) During the normal season, if a match is forfeited, the result will be a 6-0 loss against the forfeiting team.
- 2) Ipswich Futsal may cancel a match when for whatever reason it becomes unplayable. For example, a match may be cancelled if the playing surface becomes unsafe.
- 3) The referee may choose to abandon or suspend a game at their discretion, but usually for reasons in line with the FIFA Futsal Laws of the Game.
- 4) If at least two thirds of an abandoned or suspended match has been played, and the abandonment/suspension is not caused by the misconduct of one of the teams, the scoreline at the time of abandonment/suspension will stand.

- 3) In a match where a match official determines two team's shirt colours clash, a match official may ask a team of their choice to wear numbered bibs provided by Ipswich Futsal.
- 4) Teams may have custom strips, so long as all content (including sponsorships) on each strip is deemed appropriate by Ipswich Futsal. For example, a strip may be considered inappropriate if it contains offensive language.

 - a. Record the match result as a forfeit against the offending team(s)
 - b. Penalise or take disciplinary action against the offending team(s) or players
- 4) If a pattern of repeated forfeits emerges from a team, they will be given a formal warning. If such a pattern of forfeits continue, the team may be disqualified from the competition.

5. Discipline & Misconduct

5.1 Responsibility for Disciplinary Matters

- 1) All disciplinary matters by default shall be carried out by the Social Competitions Director or their delegate.

- a. The Social Competitions Director, at their discretion, may appoint a delegate to oversee any number of disciplinary matters.
- 2) For all disciplinary matters where the penalty is more severe than a five (5) match suspension, the Ipswich Futsal Committee may choose to deliberate on the matter in place of the Social Competitions Director or their delegate.
- 3) All appeals will first be heard by the Social Competitions Director or their delegate. Further appeals may be heard by the Ipswich Futsal Committee at their discretion.

5.2 Laws of the Game

All players and match officials shall abide by all applicable parts of the FIFA Futsal Laws of the Game, which shall form the basis for Ipswich Futsal's disciplinary code.

5.3 Yellow Card Offences

- 1) Any player shown a yellow card by a match official is assumed to have committed the offence.
- 2) In competitions with compulsory shirt numbers, the shirt number of the offending player will be recorded by a match official. The yellow card will then be recorded in a list maintained by Ipswich Futsal.
- 3) In competitions without shirt numbers, the name of the offending player will be recorded by a match official, then kept in a list maintained by Ipswich Futsal.
 - a. Any player who refuses to disclose their name can be given a second yellow card. Players will then be suspended indefinitely until they disclose their name.
 - b. Any player found to deliberately misidentify themselves to a match official will be suspended retroactively under the discipline guidelines in Appendix A.
- 4) The accumulation of yellow cards across all Ipswich Futsal competitions during the season will incur the following penalties:
 - a. Any player who receives four (4) yellow cards in any one season will incur a one match suspension.
 - b. Any player who receives six (6) yellow cards in any one season will incur a two match suspension.
 - c. Any player who receives eight (8) yellow cards in any one season will incur a three match suspension and may be called to show cause why they should be allowed to continue playing in the current registration period.
 - d. For every second yellow card beyond eight (8) yellow cards (i.e. ten, twelve, and so on), the player will incur a three match suspension and may be called to show cause why they should be allowed to continue playing in the current registration period.
- 5) If a player receives two (2) yellow cards in a match, it is treated as a red card and the two (2) yellow cards will not count towards the player's accumulated yellow cards for the season.

5.4 Red Card Offences

- 1) A player shown a red card cannot return to the field of play or their team's bench.
- 2) In competitions with compulsory shirt numbers, the shirt number of the offending player will be recorded by a match official, then kept in a list maintained by Ipswich Futsal.

- 3) In competitions without shirt numbers, the name of the offending player will be recorded by a match official, then kept in a list maintained by Ipswich Futsal.
 - a. Any player found to deliberately misidentify themselves to a match official will be suspended retroactively under the discipline guidelines in Appendix A.
- 4) A red carded player cannot be replaced by a substitute until two (2) minutes has passed or the opposing team scores within two (2) minutes of the red card.
- 5) A player shown a red card will be automatically suspended for one (1) match.
- 6) Suspensions shall apply across all Ipswich Futsal competitions from the time of the red card until the suspension has been served in the competition which it was incurred.
- 7) The length of suspension for a red card is at Ipswich Futsal's discretion, so long as it's within the minimum and maximum lengths stipulated in the Table of Offences ([Appendix A](#)).

5.5 Player Suspensions & Retroactive Suspensions

- 1) Suspensions shall apply across all Ipswich Futsal competitions from the time of suspension until the suspension has been served in the competition which it was incurred.
 - a. A suspended player cannot play in any matches until after the final calendar day of the suspension has passed. For example, a player suspended for one (1) match in U14-16 cannot play until after the calendar day of the next round of U14-16 games has passed.
 - b. If there is an extended period of time between rounds relative to other competitions the player also participates in, the terms of the player's suspension will be adjusted. For example, if a player that plays in both Senior A and Senior B incurs a one (1) match suspension in Senior B, yet three (3) rounds pass in Senior A within the same timeframe, they may return to playing Senior A after one (1) round has passed in Senior A, while still serving their one (1) match suspension in Senior B.
- 2) The length of suspension is at Ipswich Futsal's discretion, so long as it's within the minimum and maximum lengths stipulated in the Table of Offences ([Appendix A](#)).
- 3) Ipswich Futsal may choose to retroactively suspend a player if they determine there is probable cause the player, during a game, committed an offence contained in the Table of Offences ([Appendix A](#)) but was not punished for it by a match official.

5.6 Offences by Non-Players

- 1) A non-player is any person not playing in a match at the time of the offence.
- 2) Ipswich Futsal may choose to carry out disciplinary action against a non-player who has breached the Ipswich Futsal Social Competition By-laws or any other applicable statutes, such as the Football Australia Code of Conduct.
- 3) The type and severity of disciplinary action is at the discretion of Ipswich Futsal.

5.7 Appeals Process

- 1) Yellow cards, sin bins and suspensions resulting from yellow card accumulation cannot be appealed under any circumstances. Any other form of discipline such as red cards or suspensions may be appealed.
- 2) All appeals must be submitted in writing to info@ipswichfutsal.com.au.

- 3) The appeal will first be heard by the Social Competitions Director, or their delegate, for a fee as stipulated in [Appendix C](#).
- 4) If the Social Competitions Director or their delegate denies an appeal, a request for further appeal can be made to the Ipswich Futsal Committee, who will choose whether to hear the appeal, for a fee as stipulated in [Appendix C](#).
- 5) If the appeal is denied, the deciding party may uphold the current suspension or increase its length. Appeal fees will not be refunded.
- 6) If the appeal is approved, the red card may be overturned or the length of suspension may be reduced. The reduction of suspension from an approved appeal will be at the discretion of the deciding party. For instance, if a player appeals to rescind a red card with a two match suspension, the deciding party may choose to uphold the red card but reduce the suspension to one match. Any appeal fees will be refunded.
